# TALKiNG ELT

OXFORD  
UNIVERSITY PRESS  
AUSTRALIA & NEW ZEALAND

Welcome to the digital resources issue of *Talking ELT*. In this issue we have featured an array of new materials that bring fresh stimulus and interactive content to your language lessons.

We are excited to announce the release of **New Headway iTools**, a new digital resource for interactive whiteboards. With a range of interactive activities and special features, **New Headway iTools** is sure to create new ways to engage students with language material.

On page 2 you will find information about the new Upper-Intermediate level of **New English File iPacks**, as well as the new edition of the **Oxford Collocations Dictionary for students of English**, which is now available with a comprehensive CD-ROM containing access to practice exercises and a searchable index for easy look-up.

As your students draw closer to sitting their exams, they will no doubt be asking for more and more practice tests. They can now access a full range of practice tests online at [www.oxfordenglishtesting.com](http://www.oxfordenglishtesting.com). Now updated with more books, online tests, and exams, including the *Oxford Placement Test*, the *Oxford Online Testing* website will provide you with all your testing needs online.

Don't forget to visit the Oxford University Press stand at the upcoming English Australia Conference in September, where you will find information on all these titles and more!

Happy reading!

UPPER INTERMEDIATE

NEW LEVEL

### Oxford Collocations Dictionary for students of English, with CD-ROM

The dictionary that helps students write and speak natural-sounding English, now in a new edition with CD-ROM. This dictionary shows you the common word combinations (collocations) that are essential for natural-sounding English. Completely revised and extended, the new edition has over 250,000 collocations and over 75,000 examples.

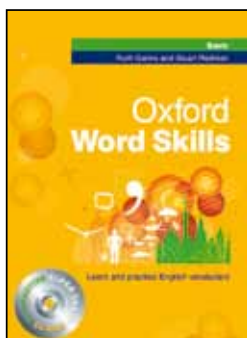

### Key features

- Based on the Oxford English Corpus, a 2-billion word corpus that provides authoritative information on the most typical collocations.
- Collocations only found in British or American English are clearly labelled.
- Examples show how collocations work in context.
- Headwords printed in blue help you find the right word faster.
- CD-ROM with the complete dictionary, a searchable index that makes it easy to find the collocation you are looking for, and practice exercises.
- CD-ROM has pop-up definitions of every word included in the dictionary, with spoken pronunciation of British and American English.
- Collocations grouped according to part of speech and meaning.
- Usage notes show collocations shared by sets of words such as languages and seasons.
- 16-page Study section.

### How computer games help children learn English

*Lynne Robertson*

“Find out about the benefits of educational computer games. It’s a common complaint these days: children spending too much time playing video games. But not all video games are bad for kids. In fact, educational computer games can reinforce classroom learning. And CD-ROMs help children learn English at home because they are effective on several different levels.”
