# Welcome to the Oxford University Press ANZ Law and Tax catalogue for 2019!

Oxford University Press is a department of the University of Oxford. We share the University's belief in the transformative power of education to inspire progress and realise human potential. We work hard to offer the best in publishing through the development of premium print and digital resources, and we set the bar high for the quality of our products and our service. We are committed to publishing textbooks for today's students that will support them from first year through to professional practice.

This year's catalogue has been significantly revised to incorporate the three divisions of Law, Business and Corporate Law, and Taxation Law. We understand that many of our titles can be used across disciplines, and that in fact, many of you teach multiple subjects within these areas. We hope that by combining our three catalogues, everything that is relevant to you is available in the one place.

At Oxford University Press we work hard to develop resources that will enable students to study more effectively, academics to teach more easily, and institutions to offer more support. Our textbooks are designed to support your students throughout their studies, and our digital products are created to suit different study and teaching requirements.

These digital products include:

- Oxford VitalSource eBooks that are available perpetually or for rent
- VitalSource Sampling which gives academics access to gratis Oxford VitalSource eBooks at the click of a button
- Student resources that allow students to test their understanding of key principles with additional online study materials
- Lecturer resources that support your prescribed textbook and assist you in your teaching.

Throughout this catalogue, the resources available for each title are indicated by the icon in the key below.

We are dedicated to providing students, academics and institutions with premium resources and we hope this catalogue will assist you in finding your teaching solution.

## Australian Criminal Justice

---

Fifth Edition

Mark Findlay, Stephen Odgers, & Stanley Yeo

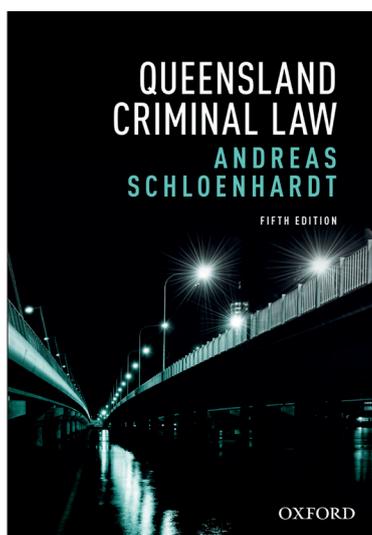

9780195521153

October 2014

[oup.com.au/findlay5e](http://oup.com.au/findlay5e)

*Australian Criminal Justice* provides a complete overview of the criminal justice process. It analyses the influences that shape criminal justice and examines the institutional and administrative features of its operation in all jurisdictions. The book guides readers step-by-step through the stages of a case—from investigation to sentencing—and explores the social context of criminal justice in terms of the rights of the individual, community responsibilities, and international guarantees.

## Queensland Criminal Law

---

Fifth Edition

Andreas Schloenhardt

9780190311544

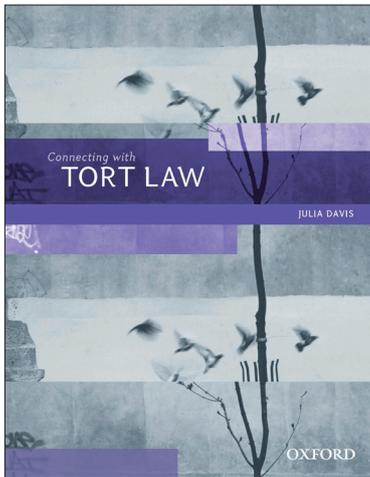

January 2018

[oup.com.au/schloenhardt5e](http://oup.com.au/schloenhardt5e)

*Queensland Criminal Law* offers a fresh and critical perspective on contemporary criminal justice in Queensland and presents old problems in new and comparative contexts. It seeks to raise many questions about criminal law, rather than provide definitive answers, and encourages readers to critically reflect on their relationship to the law as citizens, students, and potential practitioners.

# Tort Law

---

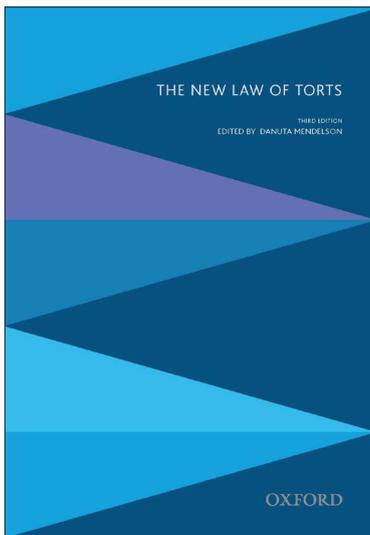

## Connecting With Tort Law

---

Julia Davis  
9780195561098  
January 2012  
[oup.com.au/davis](http://oup.com.au/davis)

Everyone learns best by doing, but we often need a guide that can show us by example. *Connecting with Tort Law* helps students to improve their analytical skills in tort law through practical application. It provides an overview of tort law and its challenges and teaches students how to work effectively as a torts student, how to argue like a torts lawyer, how to analyse problem questions and torts cases, and how to identify issues and structure an answer to a torts problem.

---

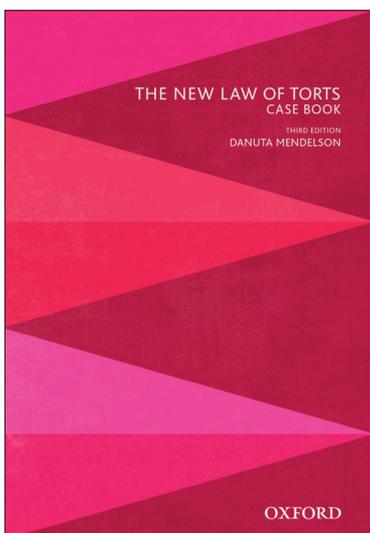

## The New Law of Torts

---

Third Edition  
Edited by Danuta Mendelson  
9780195525069  
November 2014  
[oup.com.au/mendelson3e](http://oup.com.au/mendelson3e)

*The New Law of Torts* questions whether foundational principles and policies of torts law reflect the social and moral values of modern Australian society. It provides a clear and succinct discussion of the interface between the statutory regime in each jurisdiction and the common law and has clearly delineated parts, sections and topics for each genus and species of torts.
