## Level 9 The Champion's Cup

**In this story ...**

**Evan (Flex)**

Evan is super stretchy. He can stretch his body in any direction. He once stretched his arms all the way around Hero Academy.

**Cam (Switch)**

Cam has the power to turn into different animals. She once stopped some baddies from robbing a bank by turning into a giraffe.

Hero profiles give information about the main characters featured in each story and are great for developing prediction skills.

**Ray Ranter**

**NUMBER 1 MOST WANTED VILLAIN**

**Catchphrase:** Heroes are zeroes!

**Hobbies:** stamp collecting. He would love nothing more than to have a set of Ranter stamps.

**Likes:** white rooms, white suits, turnips (because they're white).

**Dislikes:** all colours, and raspberries (because they're hairy, and raspberry stains are impossible to remove from white suits).

**Beware!** He created robotic rabbits – bunny-wunnies – to help him carry out his dastardly plans.

A bunny-wunny appeared on the screen. “Th-nn-th-th,” it snuffled.

“You’ve found the Champion’s Cup in the lion enclosure?” replied Ranter in surprise. “Good work, my one-eyed friend.”

“Th-th-nn-th,” added the bunny-wunny.

“Yes, bring it to me as quickly as possible,” ordered Ranter. “Try not to run into any of those pesky heroes.”

Villain profiles give further details about the baddies and can help readers make inferential links about the characters' motives.

Stories provide plenty of opportunities to develop new vocabulary.

### Chapter 5: The final chance

“Cam, thank you! You saved my life,” Evan said.

In a flash, Cam returned to normal. “Don’t mention it,” she said. “Now, if I’m not mistaken, that’s the Champion’s Cup.”

Evan spun around and saw a bunny-wunny running along a fence. It was clutching the cup.

“I’ve got this,” said Evan. His body tingled as he stretched. Evan’s arms grew longer and longer until he was able to grab the Champion’s Cup out of the bunny’s paws. For a moment, the bunny wobbled on top of the fence. Then it lost its balance and toppled backwards, disappearing out of sight.
