

## Chapter 11: The Process of Tracing

### Across

2. Even though the pre-requisite for tracing has been satisfied, tracing may be ineffective if the property has been purchased for value and without \_\_\_\_\_ of the prior interest.
4. The maxim 'Equity will not assist a \_\_\_\_\_' is often useful with respect to tracing.
5. The imposition of this type of trust is a proprietary remedy.
7. Tracing permits these types of interests to be pursued where property has changed hands or been exchanged for other property.
9. Usually a pre-existing type of relationship is the basis upon which tracing will operate.
10. Tracing is not a remedy nor a \_\_\_\_\_ of action.

### Down

1. Tracing is largely this type of matter.
3. 'Money first in', is money first \_\_\_\_\_.
6. If tracing is not possible, then this type of remedy such as an order for an account of profits may be brought against the offending trustee.
7. Tracing is not a remedy, it is a \_\_\_\_\_.
8. There are two methods, 'first in is first out' and 'Pari \_\_\_\_\_'.
