

Criminology

Not for

Profit. All for

Education.

At Oxford University Press (OUP), we believe in the power of the written word and the scholarship that stands behind it. Everything we publish relates directly to our mission: to support Oxford University's objective of excellence in research, scholarship, and education. As a publisher, we take pride in this mission, which allows us to enable, support, and facilitate research and scholarship. As a not-for-profit organisation, we generate revenue in order to publish, and to support the University's wider educational mission. We share the University's uncompromising standards, defining qualities, and belief in the transformative power of education to inspire progress and realise human potential. Visit oup.com.au/mission for more information.

At OUP, we are dedicated to providing students, academics, and institutions with premium resources. Our textbooks are designed to support your teaching, and encourage your students to study effectively and achieve their best results. Browse this catalogue, using the key below, to explore the range of different formats and resources available for each title; or contact a member of our team to discuss how we can work together to find your teaching solution.

We look forward to partnering with you.

Crime & Criminology

Crime, Criminality and Criminal Justice

Third Edition

Rob White, Santina Perrone, & Loene Howes

9780190310080

May 2019

oup.com.au/whiteperrone3e

Crime, Criminality and Criminal Justice is the complete introduction to everything students need to know as they begin their studies in crime and criminology. It explores crime and victimisation in Australian society and introduces the major institutions of criminal justice. It covers key subject areas including what crime is, types of crime, crime theory, systems and institutions of crime, crime and social inequality, and difference and criminal justice—all within an Australian context. Now in its third edition, this text encourages critical thinking and features thought-provoking discussion questions and issues for consideration. This text will prove to be a valuable reference throughout a criminology degree.

NEW TO THIS EDITION

- New discussion topics including media criminology, cybercrime, green criminology, and critical forensic studies
- Incorporates the most current examples and references
- Includes updated coverage of emerging issues and trends in an Australian context
- Introduces the foundational explanations for the causes of crime in a consolidated theory chapter.

LECTURER RESOURCES

- Instructor's Resource Manual
- Test bank
- Image gallery
- PowerPoint slides aligned with each chapter of the text.

22. Punishment and Penalty
23. Incarceration and Prisonisation
24. Community Corrections
25. Rehabilitation and Restorative Justice
26. Crime Prevention

Crime & Criminology

Media and Crime: Content, Context and Consequence

Katrina Clifford & Rob White

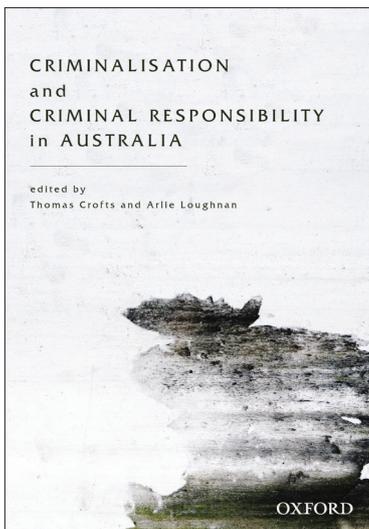

9780195598285

May 2017

oup.com.au/clifford

Media and Crime encourages students to examine the intricacies and complexities of the media/crime nexus. It addresses 'media' in its traditional and emerging forms, and explores the ways in which police, courts and different groups engage with mediated representations of crime, risk, fear and vulnerability. It also investigates the media's role in shaping perceptions of crime and criminality.

Criminalisation and Criminal Responsibility in Australia

Edited by Thomas Crofts & Arlie Loughnan

9780195597561

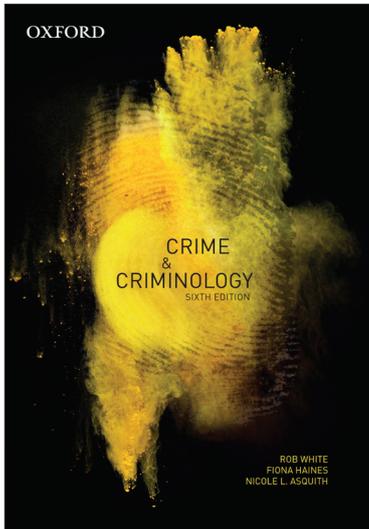

May 2015

oup.com.au/crofts

Criminalisation and Criminal Responsibility in Australia brings together significant contributions across the two major axes structuring criminal law scholarly thinking and criminal law scholarship in the current era—criminalisation and criminal responsibility. It provides a snapshot of key issues apparent across the Australian criminal justice landscape and features up-to-date critical scholarly analysis of these issues.

Crime & Criminology

Crime & Criminology

Sixth Edition

Rob White, Fiona Haines, & Nicole L. Asquith

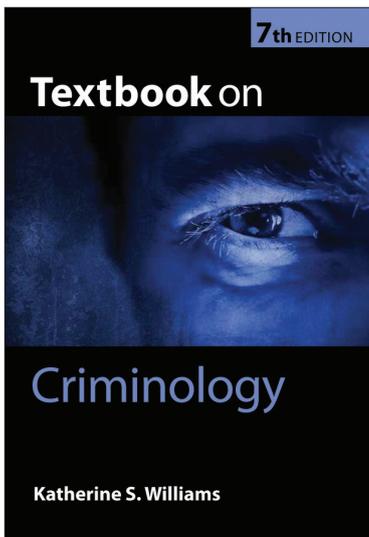

9780190307301

May 2017

oup.com.au/whitehaines6e

Crime & Criminology provides a comprehensive introduction to the study of crime. It explores the key theories that explain criminal behaviour in society, and asks students to evaluate how criminologists employ these theories in their analysis of criminological issues. This book provides learning pathways beyond specific theories, giving students the skills needed to understand their own theoretical perspectives and the social context, history and concepts of each criminological theory.

Textbook on Criminology

Seventh Edition

Katherine S. Williams

9780199592708

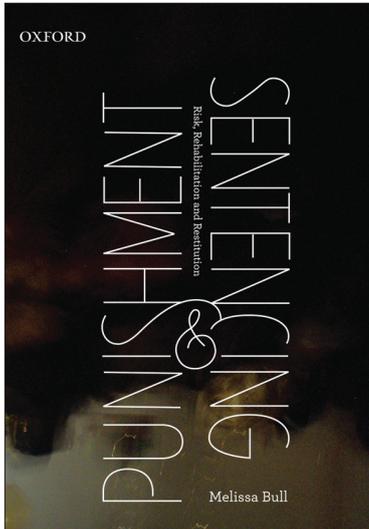

April 2012

oup.com.au/williams7e

Textbook on Criminology offers an engaging and wide-ranging account of crime and criminology, addressing the theoretical, practical, and political aspects of the subject, as well as mapping out the changes in crime control and society's expectations in relation to crime control. This is an ideal text for students wanting to understand the fundamental issues, together with an appreciation of some of the complexities surrounding the study of criminology.

Criminal Justice

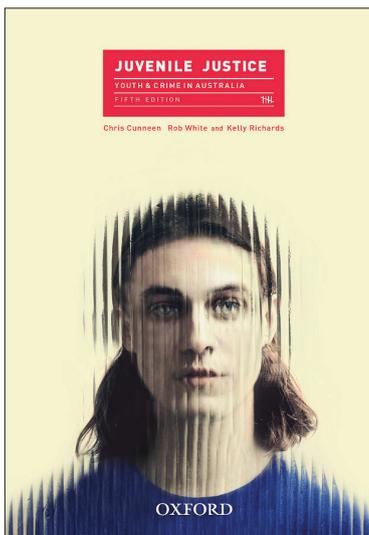

Punishment and Sentencing: Risk, Rehabilitation and Restitution

Melissa Bull
9780195561081
November 2009
oup.com.au/bull

Punishment and Sentencing uses a case study approach to bring to life our shifting attitudes to punishment, and its relationship to changing technologies and programs of control. The text identifies the key concepts of risk, rehabilitation and restitution to give students an accessible framework for understanding the different approaches taken, in theory and in practice, to sentencing and punishment.

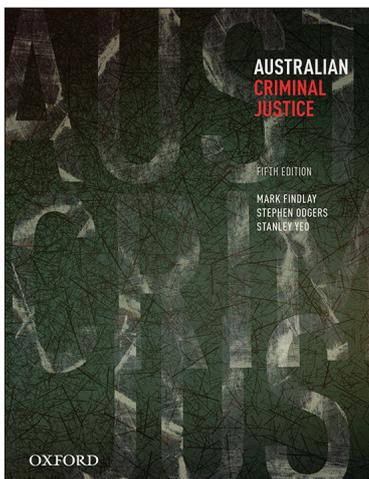

Juvenile Justice: Youth and Crime in Australia

Fifth Edition
Chris Cunneen, Rob White, & Kelly Richards
9780195598421
November 2015
oup.com.au/cunneen5e

Juvenile Justice explores youth and crime in Australia, and the institutions and agencies associated with the administration of juvenile justice. It provides an accessible introduction to the main concepts and issues of juvenile justice and critically analyses the principles, policies and practices associated with it, while raising a number of questions about the institutions of juvenile justice and how we think about issues of juvenile justice.

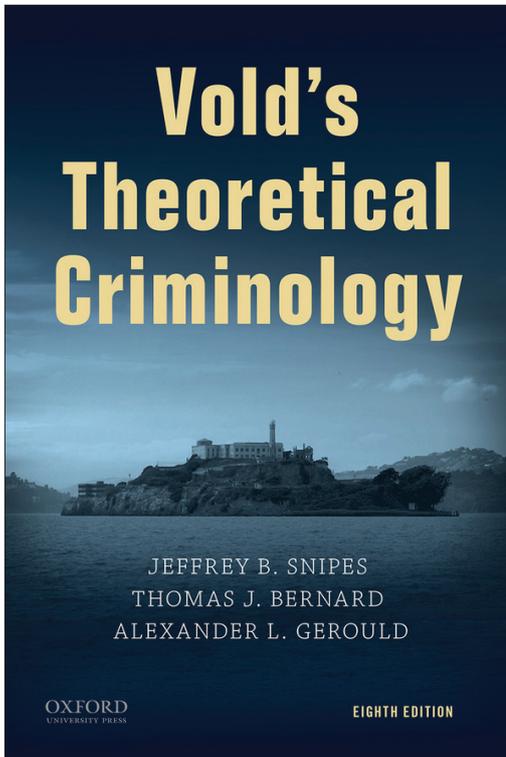

Australian Criminal Justice

Fifth Edition
Mark Findlay, Stephen Odgers, & Stanley Yeo
9780195521153
October 2014
oup.com.au/findlay5e

Australian Criminal Justice provides a complete overview of the criminal justice process. It analyses the influences that shape criminal justice and examines the institutional and administrative features of its operation in all jurisdictions. It guides students through the stages of a case and explores the social context of criminal justice in terms of the rights of the individual, community responsibilities, and international guarantees.

Theory, Research & Methods

Vold's Theoretical Criminology

Eighth Edition

Jeffrey B. Snipes, Thomas J. Bernard, & Alexander L. Gerould
9780190940515

November 2019

oup.com.au/snipes8e

The leading text in the field, *Vold's Theoretical Criminology* is universally known by scholars in the discipline. It is the most precise, up-to-date, and comprehensive overview of criminological theory available, building on the foundation of George B. Vold's *Theoretical Criminology*.

Taking a largely historical approach, it discusses both classic and contemporary theories, presenting historical context, empirical research, and policy implications for each one. Now in its eighth edition, this book concludes with a critical assessment of the state of theory in criminology.

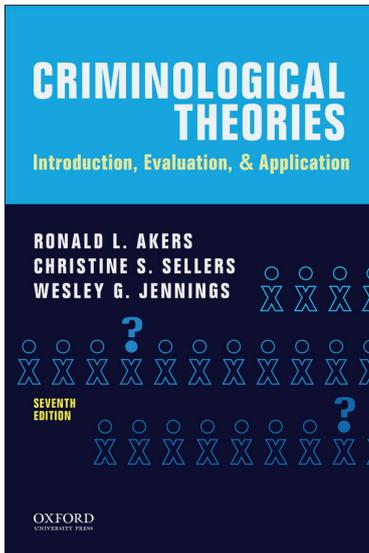

NEW TO THIS EDITION

- Offers expanded coverage of contemporary theories, including routine activities, developmental and life course, self-control, learning, and general strain theories
- Adds new sections on topics including epigenetics, the neoclassical school, social disorganization in rural areas, and green criminology
- Contains real-life examples and discussions of policy implications throughout, demonstrating how theories are tied closely to policy and practice
- Integrates the assessment of criminological theories (the former concluding chapter) with the introductory chapter on theory and crime
- Includes a new, brief conclusion that examines the proliferation of theory in criminology, and assesses the policy relevance of the multitude of criminological theories
- Features a new test bank as a useful supplement for lecturers.

TABLE OF CONTENTS

1. Theory and Crime
2. Theory and Policy in Context: The Great American Crime Decline
3. Classical Criminology
4. Biological Factors and Criminal Behavior
5. Psychological Factors and Criminal Behavior
6. Durkheim, Anomie, and Modernization
7. Strain Theories
8. Neighborhoods and Crime
9. Learning Theories
10. Control Theories
11. Conflict Criminology
12. Marxist, Postmodern, and Green Criminology
13. Gender and Crime
14. Developmental and Life-Course Theories
15. Integrated Theories

Theory, Research & Methods

Criminological Theories: Introduction, Evaluation, and Application

Seventh Edition

Ronald L. Akers, Christine S. Sellers, & Wesley G. Jennings

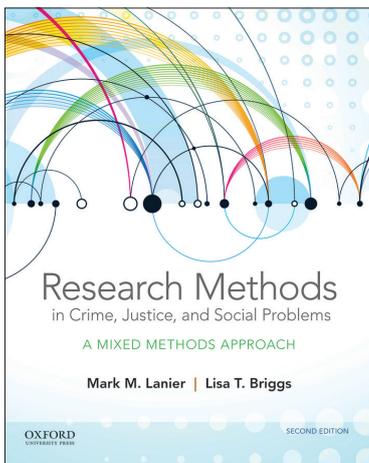

9780190455163

August 2016

oup.com.au/akers7e

Criminological Theories helps students draw connections between criminological theory and practical applications. It explores each principal of criminological theory using a three-part analysis: the introduction presents a succinct exposition of the theory's central concepts, assertions, and hypotheses; the evaluation provides a detailed critique of the theory, emphasising empirical validity; and the application extends the evaluation to determine each theory's relevance and its potential for controlling and preventing crime and delinquency.

Research Methods in Crime, Justice and Social Problems: A Mixed Methods Approach

Second Edition

Mark M. Lanier & Lisa T. Briggs

9780190694432

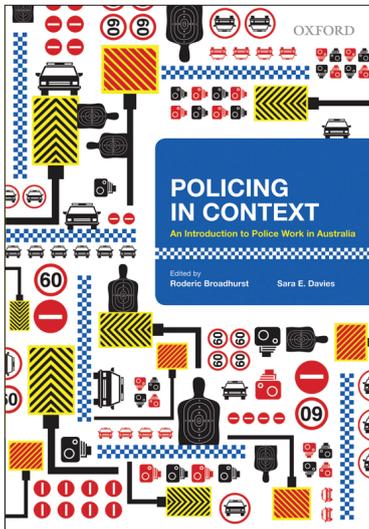

July 2018

oup.com.au/lanier2e

Research Methods in Crime, Justice and Social Problems gives students the tools they need to understand the research they read and take the first steps toward producing compelling research projects themselves. Featuring a step-by-step organization that follows the stages of a research project, it emphasizes the actual experience of conducting research and includes a wealth of examples.

Security & Policing

Policing in Context: An Introduction to Police Work in Australia

Edited by Roderic Broadhurst & Sara Davies

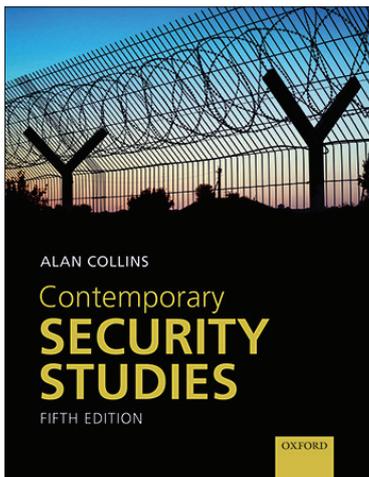

9780195561067

November 2008

oup.com.au/broadhurst

Policing in Context provides students with the practical information they need to grasp the diverse roles, duties, powers and problems of policing in Australia. It sets up the basic knowledge needed for understanding the history, context and structure of policing in Australia, and builds on this by exploring the core skills, tasks and operations of police work. This text is supported by content that reflects on contemporary and emerging issues.

Contemporary Security Studies

Fifth Edition

Alan Collins

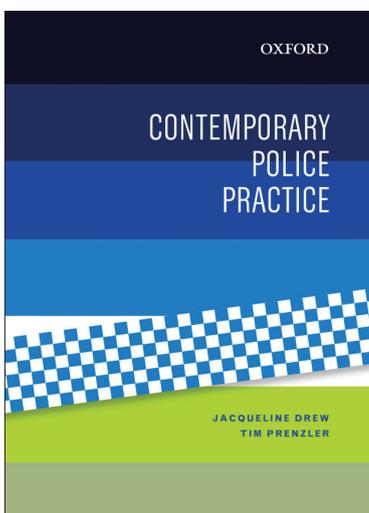

9780198804109

December 2018

oup.com.au/collins5e

With in-depth coverage of a wide range of issues, from terrorism, inter-state conflict, and nuclear deterrence to environmental security, health, and organized crime, *Contemporary Security Studies* is the definitive introduction to security studies. Bringing together leading scholars, it provides a student-friendly guide to traditional and critical theoretical approaches, as well the most important issues that dominate the modern security agenda.

Contemporary Police Practice

Jacqueline Drew & Tim Prenzler

9780195591415

February 2015

oup.com.au/drewprezler

Contemporary Police Practice introduces policing within an Australian context. It explores the history of Australian policing to build a foundation for understanding contemporary police practice; while examining the core functions of police; and critically analysing the foundational research which has led to significant innovations in strategies, programs, technology and administration.

Oxford Digital Solutions

At OUP, digital is at the heart of what we do. We are aware that there are many different study and teaching requirements so our resources are developed in a range of formats and locations to ensure they are as accessible as possible.

LECTURERS

All local OUP textbooks are available as a free digital inspection copy via VitalSource Sampling, making it easy for you to discover what titles and resources are available for your subject area. Visit oup.com.au/vsacademic to find out more.

STUDENTS

All local OUP titles are published as eBooks giving students the choice between a print or digital textbook. Read more about our eBooks at oup.com.au/digitalproducts.

LIBRARIES

Our local content is available for libraries to purchase via the Proquest/EBL platform. Visit proquest.com to find out more.

INSTITUTIONS

OUP can help provide your students with immediate digital access to quality, peer-reviewed resources from their first day of class. Find out more at oup.com.au/digitalsolutions.

Did you know Oxford also publish online training courses?

Epigeum is a leading provider of online courses that support the core activities of universities and colleges in four areas: teaching and development, research, studying, and support and wellbeing.

Developed through a unique process of global collaboration between world-class subject experts, partner institutions, and in-house specialists, Epigeum's interactive, online courses make consistent, cost-effective training achievable for all.

Interested? Submit the contact form at epigeum.com and a local representative will be in touch.
